It can not be said of the Board of Trustees that they are only names on a page. Our Board of Trustees are seen at every major activity of the School — Evensong, Father and Son's Banquet, Baccalaureate, Commencement.

In addition they were involved in the life of the School in a special way this year as members of the cast in the Junior Play, "Andersonville Trial."

Of course the true value of our Board will never be fully known to the student body — for they labor behind the scenes as the governing counsel of St. Mark's School.

DEDICATION

The Marker, Volume Three, is dedicated to our Headmaster, Mr. Robert L. Bolbach, whose ardent devotion to duty has led us — often pulled us — through these past six years.

TO THE CLASS OF 1962:

For six years now we have labored together. When we first began, so long ago, not one of us would have dreamed we could have accomplished all we now stand for. In every area of our community we have gained in stature and respect.

A large measure of credit must go to those of you who have borne the burden and heat of the day for these six years. In a very real sense you are the first of our graduating classes, since you are the first to complete the whole term of years.

The Members of the Board join with me in deep appreciation for the high standard you have set, for the traditions you have established, and for the promise of your future education, which is now apparent.

May God bless and guide you wherever you go.

Sincerely,

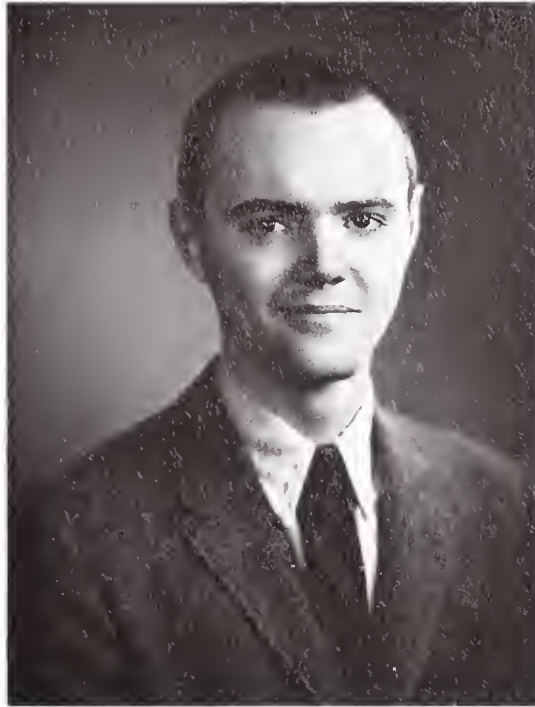

The Rt. Rev. Richard S. Watson, D. D.
Bishop

Officers of the Student Council

The Saint Mark's Student Representative Council is the forum for discussing and planning student activities.

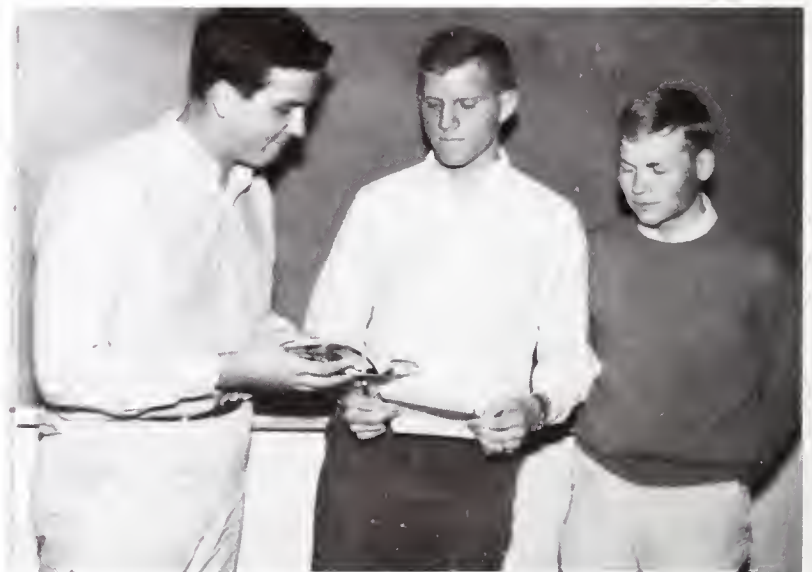

The Representative Council can be credited with a number of "firsts" this year. It sponsored the first school dance, collected \$75.00 for the Bishop Huddleston Fund, and established the procedure for the chartering of clubs. The problem of the mixed assortment of student attire was improved with the new blazers.

UNITED NATIONS CLUB

U. N. ASSEMBLY

The United Nations Club was formed early this spring, with the Model United Nations delegation as its nucleus. Officers elected were David Work, president; Pete Billings, vice president; and Rob McAlister, secretary. The club is basically a public service club, and in the future, the U. N. delegation will be chosen from its membership.

MUSIC CLUB

Special concert of the Utah Symphony sponsored by Music Club

Officers of the Music Club

One of the first clubs to be formed this year, the music club, began under the sponsorship of Miss Robertson, with Richard Watson, Greg Soter, and Bruce Wycoff as its first officers. The music club attended the symposiums of the Symphony Guild to hear outstanding musicians. Several members of the club gave talks on various types of music. The club's chief activity was the sponsoring of a concert of the Utah Symphony Orchestra for several private schools in the Salt Lake area.

The Director, Mr. Larimer; The Make-up Artist, Mrs. Larimer; The Set Designer, Mr. Fox; and The Assistant Director, Mary Ann Burnham; join the cast for the final curtain call, March 10, 1962.

Stage Crew at work on the superb sets designed for "Dear Wormwood" by Mr. George Fox.

Two plays were produced this year: "Dear Wormwood," the annual Senior Play, produced with the seniors of Rowland Hall and "The Andersonville Trial," the first Junior Class Play.

"Dear Wormwood," a modern morality play, opened to standing room only. The Junior Play, presented in a court room, was produced as St. Mark's contribution to the Civil War Centennial.

PRESIDENTS BALL

The President and First Lady

The Constituents

February, the month of Presidents provided the inspiration for the first Student Council Dance . . . The President's Ball. Music for the highly successful dance was provided by Bob Branch and his combo. Highlight of the evening was the election of a "President" and his "Lady." Roger Sandack and his date, Alix Riser, were elected.
